#### GENERAL BUSINESS

Fruit and Vege Stall – Paul to look into this with Transit. Nicole to come up with an organisation plan.

Speaker – Melanie Vezey – 5 love languages. This sounds like a great idea, we will book it in for next term in August. Robyn to talk to Melanie about a date and how she would prefer the audience are seated. She has very generously offered to give her talk complimentary (she normally charges \$1500), she would like to video it also. We discussed having it mid-week in the evening at about 7.30pm. We will start with the school community then possibly extend the invite. This is a fundraiser and we will sell tickets. Tickets will include the speaker and nibbles, \$20 each or \$30 for two.

Puriri Park possible sale to HNZ – this has been published in the Northern Advocate, the school is aware and will be discussing it at their next board meeting.

School Disco – we will put a disco on towards the end of this term. Date to be decided at next meeting. Water bottles were left hardly used around the Hall, it was a big waste. Jas has offered to bring a water tank and we can hand out ½ filled cardboard cups with water instead.

Meeting finished at 7.30pm.

Next meeting will be held on Tuesday 5<sup>th</sup> June at 7.30pm.
