

Dear Parents and Caregivers,

Peace be with you; Kia mau te rongō ki a koe;
Vrede vir jou; Heiwa wa anata to tomoni; aapako
shaanti mile

We would like to **congratulate** one of our staff members, Matt Johnson, who will be playing for the Northland Taniwha rugby team this season in the Mitre 10 Cup. Matt is a teacher aide here at school and will be on leave while the national championship is on. We wish him well for the championship and look forward to his return to Maunu School in term 4. Go the Taniwha!!!

On Saturday 22nd June, the school's senior **kapa haka** roopu performed on the main stage at the Matariki festival. What a performance!!! They had the crowd fully engaged and were magnificent! Thank you to all the parents and whanau who got the tamariki there and supported them. A huge thank you to Diana Hesketh, Whaea Claudine and Matua Shane for all the work that goes into preparing the roopu for a performance of this nature. And to the roopu - you were beyond awesome!! Pai te mahi.

Thank you to all the families who attended the recent **parent/teacher conferences**. This is an opportunity to discuss matters concerning your child with the teacher, and to plan future goals.

Carpark - As I have pointed out before, any carpark (and in particular school car parks) are places where rules seem to go out the window! I employ users to be very careful, watchful and obey the usual road rules when using our car park. With children around it can have the potential for an accident. This includes using the disabled car park spaces. These are reserved for people with the disability exemption card. Please do not park or stop in these spaces if you do not have the required exemption. Please follow the signs when leaving the car park - there is a "no right turn" sign. You must turn left and go around the roundabout. This is a transit NZ requirement and also ensures the safety of anyone walking along the footpath. We have children who walk to school and people leaving the car park need to be aware of this.

On Friday 28 June we had a Year 5 and a Year 6 team represent the school at the Northland **MathEx** competition. This was the first year that the competition has included a year 5 aspect. The school's teams had worked hard leading up to the competition, which showed in each of them scoring 19 out of 20 in the allotted time. On a countback, they were both awarded second place - a fantastic achievement. They could not get any closer to winning the competition. They can be very proud of their knowledge, their teamwork and attitude. The teams were:

Year 5: Samuel Winder; Julian Parkinson-Gilmour; Zane Lamb; Isaac Delamare (Reserves - Finley Noone & Abigail Taitoko)

Year 6: Stephanie Xu; Emma Bradley; Chase Adams; Ryan Waenink (Reserves - Ruby Davies & Taj Roberts)

Farewell to Mrs Fuller - Mrs Hawkes and Mrs Fuller have shared a class for a number of years. The time has come where other business ventures have meant that Mrs Fuller is unable to continue with this arrangement. Angela Fuller has taught at Maunu School for many years as a part time teacher, reliever and job share with Mrs Hawkes. We wish Angela all the best in her future pursuits and thank her for her dedication and professionalism over the years.

Art Exhibition - Put in your diary Week 9, Term 3 for the Maunu School Art Exhibition. More info will be coming in term 3, but a heads up is that each child will be presenting two pieces of art, which will be on display on Tuesday 17th, Wednesday 18th, and Thursday 19th September. It will be an exhibition extraordinaire and not to be missed.

Friday 5th is the last day of term 2. School re-opens on Monday 22 July - see you all then!

Nga mihi
