

MAUNU SCHOOL

NEWSLETTER 8 Thursday 2 July 2020 www.maunu.school.nz

Tena koutou, greetings to you all
Ko te ahurei o te tamaiti arahia o tatou mahi
Let the uniqueness of the child guide our work.

We are nearly at the end of term 2. As we all know the events of 2020 have caused many changes to the way we do things. Winter sports is something that has been impacted and is now underway, slightly later than usual. It is important for us to be positive when we are supporting our children during their sports games. No doubt we all want to see our children do well, but a team game is built around everyone playing for each other. Players will make mistakes, they will do great things, and they will win some and lose some - that is a fact of sport. Helping children to deal with the ups and downs is a huge part of their development and in helping them be the best they can be as well as the team being its best. Good luck to all those involved in any sport - enjoy, learn and make friends.

Farewell to Mrs North: This week we farewell Mrs Molly North. Molly is taking up the challenge to become the Learning Support Coordinator (LSC) for a group of schools. She will be based at Mangakahia Area School. Molly joined the teaching staff in term 2, 2016. She has fully immersed herself in Maunu School life and has been actively involved in music programmes (drumming and choir in particular), the Sounds of Tane regeneration, Art Exhibition, and community interaction. It is always sad to see a valued staff member leave, but it is also gratifying watching them challenge themselves and be open to learning new skills in a new environment. We wish Molly all the best for the future and thank her for all she has contributed to Maunu School. The school assembly on Friday 3 July, will have a special focus on farewelling Mrs North. You are welcome to join us. This assembly will start at the earlier time of 2pm.

New staff member: We are very pleased to be able to welcome Mrs Katie Bassett-Allen to the staff of Maunu School for term 3 & 4. Katie will be teaching in Room 13, replacing Molly North. Katie is an experienced teacher, a member of the community and a parent of Maunu School. I know you will all make her feel welcome as you get to know her.

Thank you to all those who were able to get along to the 3 Way Conferences on Tuesday and Wednesday. Communication between home and school is important, and having positive and constructive conversations about learning can help reinforce good habits, celebrate successes and recognise that we learn when we make mistakes.
