

MAUNU SCHOOL

NEWSLETTER 10 Thursday 8 July 2021 www.maunu.school.nz

Greetings to you all; tena koutou katoa; pozdravi na vsichki vas; pozdrav svima vama; Zdravím vás všechny

This is the last newsletter of Term 2. School closes for the term break at 3pm Friday 9 July and opens again on Monday 26 July. It has been a busy term with the change in weather and all the building going on. The contractors (ALine) have been great to work with. As is going to happen at this time of year there is lots of mud around!!! We are planning for an early term 3 handover of the keys to the new buildings.

Mathathon: Thank you to all the families who supported the Mathathon by encouraging their children to learn their basic facts and be involved in the fun and activities. The buddy class activities were amazing and it was great to see children of different ages working together. The House problem solving challenges in the afternoon were carried out in high spirits. The competition was tense and the problem solving skills were of a high calibre. We are still receiving mathathon forms and sponsorship. Once we have them all in we will be able to let you know the amount raised for maths and curriculum resources. Thank you again to all those who help to raise funds for the mathathon.

Country Fair: Don't forget to put Saturday November 6 on your calendar as the Maunu School Country Fair date. There will be information coming out during term 3, including requests for helpers on the day. It is an amazing day, but it does require support from our school community. The funds raised this year are going toward supporting the board of trustee's Pool Project. This is a massive project that will see the pool fencing extended, 4 tiered seating with canopy running the length of the pool, updated toilet, changing sheds and pump sheds. The committee asks that you consider just how you can help with supporting the Country Fair.

3 Way Conferences: Thank you to all those who were able to get along to the 3 Way Conferences on Tuesday and Wednesday. Communication between home and school is important, and having positive

and constructive conversations about learning can help reinforce good habits, celebrate successes and recognise that we learn when we make mistakes. I read and check every child's report and it is always encouraging to see the progress and growth in each child.

Production: Term 3 is the term for our production. "A Million Dreams". The public performances will be in Week 9; between 20 & 23 September. Actual dates and times will be confirmed at the beginning of term 3. This production involves the whole school and is a celebration of the Performing Arts curriculum.

I wish you all a happy and safe term break and look forward to seeing everyone for a busy term 3.

Be Kind, Be Safe, Be Caring,
Nga mihi,
Paul Shepherd, Principal
