

# Maunu School Community Letter

## Alert Level 4 – 18 August 2021

Kia ora koutou

We are now all in Alert Level 4 which means that our school will not be open until further notice, for any students.

It is really important we do everything we can to keep our community safe. Alert Level 4 means we need to stay home in our bubbles and avoid any travelling as much as possible. Supermarkets, pharmacies, foodbanks and other essential services will be open – but remember to wear a face covering if you are out and about (even a scarf wrapped around your mouth and nose will help). Check in using the NZ COVID Tracer App wherever you go and please also keep a distance from people you don't know and wash your hands well and often, especially before and after using any public facilities.

- *Your child's teacher will be in touch with some information to support learning from home. The main point of this lockdown is to keep everyone safe and stop the spread of the virus. Please check your SeeSaw links for information about possible learning activities, links to learning sites and other information and tips.*

Our focus as always will be to support the learning, safety and wellbeing of our children and community members and we continue to be here to support you as well.

We hope that we will be able to get back to school as soon as possible. I will keep you informed through Community Information Sheets.

Please don't hesitate to contact your child's teacher, if there is something you need assistance with.

Ngā mihi nui  
Paul Shepherd
